Transept of the Cathedral: Work began in 1523 by order of the Bishop don Alonso Manrique, who had to overcome a certain amount of resistance. As a whole, it is a combination of all of the styles of the 16th and 17th centuries, including Hispano-Flemish vaults and arches, Renaissance cupolas and an early baroque chancel vault and high altar.

DALÍ

Port Alger, 1924

Le Théâtre-Musée Dalí, inauguré en 1974, fut construit sur les restes de l'ancien théâtre de Figueres, et offre un large éventail d'oeuvres qui décrivent la trajectoire artistique de Salvador Dalí (1904-1989), depuis ses premières expériences artistiques et ses créations s'inscrivant dans le surréalisme, jusqu'aux oeuvres
